MEMORANDUM FOR: Dr. Robert S. Cooper
Director, Defense Advanced
Research Projects Agency

SUBJECT: Responsive Intelligence Support to Military Operations
(RISMO) ☐

25X1

1. The DARPA-sponsored study on Responsive Intelligence Support to Military Operations (RISMO) in response to joint Deputy Secretary of Defense and Deputy, DCI, has been received and reviewed. Your conclusion that "there are no technological impediments to the concept" is appreciated and provides guidance to future plans. The DARPA intention of withdrawing from this effort, except for providing requested technical assistance, is concurred in and will be accepted. ☐
